

Kindergarten and First Grade Pre-Travel Winter Soccer Clinic

Clinic Descriptions

Kindergarten Program

Players will be put into structured practice settings resembling a professional training session they would experience on a travel soccer team. Sessions will focus on the development of individual ball and foot skills, moves, turns, communication words and rules of the game.

First Grade Program

Players will build upon fundamental foundational skill sets through technical development. Trainers will conduct tactical and technical sessions including dribbling, passing, shooting, receiving, heading, communication, formations, defensive techniques, etc.
